TROPHY BASS FISHING TRIP

What is the Oklahoma Wildlife Management Association?

The OWMA was organized to serve as an advocate for the benefit of wildlife and for the rights of wildlife managers, landowners, and hunters in educational, scientific, political, regulatory, legal, and legislative arenas. We are absolutely dedicated to educating all persons, especially the youth of Oklahoma, about the conservation, management and enhancement of wildlife and wildlife habitat on private and public land to ensure the preservation of our cherished rural heritage for future generations.

OWMA is the voice for landowners and managers who love and care for the land; we make sure their rights are not ignored. We strongly support hunting, hunting rights and our incredible hunting heritage.

Why Join?

OWMA is seeking fellow hunters, ranchers, wildlife managers and conservationists to join us in our vital efforts aimed at safeguarding our private and public lands and the many species of wildlife they support.

OWMA is taking an active role in connecting with the State Legislature to perpetuate Oklahoma's outdoor and rural heritage. OWMA believes in promoting a positive future for hunting and how that directly translates into higher quality, robust wildlife populations and well managed wildlife habitat. We promote ethical hunting and the recruitment and retention of young and adult hunters into the tradition.

The future of Oklahoma's wildlife depends on you!
